

Do you remember your Cooperative Principles? #5: Education, training and information. Ready, set, go to Co-op Leadership Camp! Send our future leaders to learn about cooperatives, leadership, team building and connecting with other leaders from across the state! Camp again will be at the NC FFA Camp at White Lake, NC from Monday through Friday, June 15<sup>th</sup>-19<sup>th</sup>, 2020.

A few examples of what CLC includes are:

- ❑ Youth Startup and Managed Tee Shirt Co-op, electing Board members and working in departments
- ❑ Experimental Learning of the 7 Cooperative Principles, understanding how they work at a Co-op
- ❑ Business challenges that the teens solve then vote on best solutions
- ❑ Learning workshops from each cooperative industry across the state
- ❑ Reality of Money by Coastal CU: Getting an “adult life” and running a real-life budget
- ❑ Leading and working in a team to produce a Co-op Principle Commercial!

This amazing week is at a member cost of only \$395 per teen to educate our future co-op leaders! A bus is included to pick up teens at designated locations across the state depending on where our teens are coming from for this year! We encourage our members to sponsor local teens for this program.
