

### ***Cooperative Leadership Camp Volunteer Staffer Information***

2020 CLC June 15-19, 2020 White Lake, NC

Thank you for considering volunteering as an adult staff for Cooperative Leadership Camp (CLC), we are hoping you are able to join us! We are excited to bring this program to the students across the state! CCNC provides teens this five-day overnight camp experience to learn about leadership and cooperatives. During this week the teens organize and run a worker/owner tee shirt cooperative. They hire a general manager, elect a board of directors, vote to establish by laws, and learn about both business and personal financial responsibility all through experiential learning. During week the teens get business challenges that they make decisions on based on the 7 cooperative principles. We bring all sectors of cooperatives together to showcase how co-ops make for a better world.

The adult role is a monitoring role. The program is set up already and the adults are there to make sure everyone participates, is safe and has a fun time. We want you to also enjoy your time at CLC so we have put together all the guides for you to read and walk the small group through.

As an adult volunteer you will be asked to do the following:

- Attend each planned workshop/team building
- Take attendance of your small group members at each workshop/team building
- Assist in leading the small group in the Cooperative Challenges (guide given for adult to read and assist)
- Monitor behavior during workshops and team building
- Sleep in a designated bunk house with teens, make sure all teens stay in overnight. (lights out at 11pm- up at 7am)
- Be upbeat and positive during camp activities

Each small group is a max of 10 teens with adult leaders. The groups navigate through cooperative business challenges, cooperative voting and fun high energy games. Adults are asked to stay on the campsite during planned group time and assist with monitoring behavior during free time.

Camp is hosted at White Lake, NC and we are at a FFA Campsite with the lake access. Swimming, canoeing, mini golf, sand volleyball and basketball are all enjoyed activities during free time for the teens and adults.

We are looking forward to having you join us for a fun filled Cooperative Leadership Camp! If you have questions or concerns, please contact Emily Nail at 919-834-5544 or at [Emily.Nail@ccnc.coop](mailto:Emily.Nail@ccnc.coop).
